# CINCORO™

## Tequila

Cincoro Tequila was an idea born from five NBA owners with the idea to create a naturally rich and delicious tequila with an ultra-smooth, luxurious finish. Cincoro captures the essence of both terroirs uniquely using 100% Blue Weber Agave harvested from the highland and lowland appellations of Jalisco, Mexico.

**BLANCO:** 1.25oz shot \$15

Cincoro Blanco is made with 100% Weber blue agave and is exceptionally smooth on the palate and approachable. While most tequilas are made with agave from either the highland or lowland region of Jalisco, we use both types of agave. By combining agave from two distinct regions, our Blanco tequila is smooth on the palate with great flavor, complexity, and finish.

**REPOSADO:** 1.25oz shot \$20

Cincoro Reposado gains its remarkable aromas and taste from a unique aging regimen. Our barrels were first used to age Tennessee whiskey. By aging Cincoro Blanco in these barrels, we highlight the smoothness of our Blanco, complemented by wood notes from aging 8-10 months in an underground cellar. On the nose Cincoro Reposado has amazing notes of vanilla, baking spices, and toasted oak. On the palate, sweet cooked agave, caramel, white chocolate.

**EXTRA AÑEJO:** 1.25oz shot \$125

Cincoro Extra Añejo is a very rare tequila produced in limited allocations. Consistent with our younger aged expressions, Extra Añejo is aged in used Tennessee whiskey barrels for 40-44 months in our underground cellar, far longer than required for Extra Añejo tequilas. Subtle notes of wood, spices and light cooked agave on the nose followed by intense oak, sweet agave, caramel, and light vanilla on the palate.
